

NDB donates supplies to Maharagama Apeksha Hospital

Caption: Shehani Ranasinghe - VP/Company Secretary, Mayomi Samarawickrama - Manager, and Sharon De Silva - Senior Manager Corporate Sustainability handing over the supplies to the Hospital Staff

NDB recently made a donation of medical necessities, nutritional supplements and surgical consumables to the Apeksha Hospital Maharagama as a part of the Bank's Corporate Responsibility strategies.

The donated items included post-operative salves and liniments which the patients cannot afford to purchase on their own. These items are vital to prevent bacterial infections as well as speed up the healing process. Furthermore, a special brand - Intrasite Gel - which does not contain Iodine was also donated to be used on patients who are allergic to Iodine. The items donated were identified by the doctors and hospital staff of Apeksha Hospital as essentials in short supply. This donation was funded from the proceeds of the disposal of the Bank's shares which arose from the residual fractions of the scrip dividend 2017 declared by the Bank in 2017.

As a responsible corporate citizen, NDB strives to make meaningful contributions to the society through its strategic sustainability initiatives that aim to inspire the sustainable growth of a progressive Sri Lanka. Sustainability is a strategic priority at NDB and the Bank continuously endeavours to foster it across all its business decisions and activities

NDB remains dedicated to bringing its customers one step closer to accomplishing their life long ambitions and uplifting their standards of living through the range of services that is accessible through its growing branch network. Further details on NDB's many products can be obtained from its 24 hour Call Centre, by calling 011 2448888, visiting the nearest NDB branch or by visiting NDB Bank's website on www.ndbbank.com.
